

# EDUCATION OPTIONS FOR UTAH CHILDREN

## HOPE SCHOLARSHIP - HB331

FUNDS AWARDED TO PARENTS TO CUSTOMIZE THEIR CHILD'S EDUCATION USING THE BELOW OPTIONS

PAID FOR BY STATE FUNDS

### HOME EDUCATED

Education tools parents may purchase using Hope Scholarship funds include home school curriculums, tutoring, fees, after school or summer education programs, educational therapy, and other items mentioned in lines 229-243.

All these can be used by the parent to create a customized education plan for their child.

### HYBRID EDUCATION

Parents may contract with their local public school to attend classes of the parents' choosing. Parents would use Hope Scholarship funds to pay public school for classes they choose.

At the same time, scholarship funds may (if desired) be used for part-time private school or part-time home school curriculum.

Parents can create a customized flexible education plan for their child.

### PRIVATE SCHOOL

Scholarship funds may be used at any private school that has opted in to being a Hope Scholarship eligible provider.
