I pulled my son at the beginning of the year (you have to do it before October if you don't want the district to receive money from the state for your student) and enroll him in Abeka <https://www.abeka.com/>. I am amazed at the quality of education this program offers. If you keep your kids out next year you might want to look into this program.

## **Homeschool Co-Ops:**

Partnerships with other parents, where each parent volunteers to specialize in and teach 1-2 subjects. Parents pay for individual courses, which include supplies.

Find and follow homeschooling co-ops and communities on FB.

Education Transformed
